A motion was made to approve the September 2010 Financial Statements and the October 5th, 2010 minutes.

**Motion By: David Kirkland      Seconded by: Col. Mauzey      All Ayes**

Mr. Ramdass reported that the Runway 5/23 Rehab project was on schedule and progressing without any problems.

Mr. Weaver and Mr. Don Ramdass were going to work with the European Rally School to see about leasing additional space for a motorcycle school driving course. The area being discussed may be in an area required by the grass runway planned on that side of the airport. If the area was outside the runway area then a survey and appraisal needed to be completed to determine the lease amount.

Mr. Kirkland discussed about putting the agenda's and minutes on the website. Also, it was discussed placing a notice on the website about Runway 5/23 being closed.

Mr. Thomas reported that a mortgage was due for renewal with M&S Bank. The bank had requested documents to update the mortgage. Once the new documents were completed they would be forwarded for our attorney's review.

Mr. Thomas reported that the Sportsman's Club lease was being reviewed and once all the reviews were completed it would be presented to the board prior to sending to the FAA for their input.

Mr. Thomas stated that the KAA was now paying employees and asked if the board members wanted checks or direct deposit. Direct deposit would require additional fees being paid by the authority. Everyone stated that a check would be acceptable.

There was no further discussion. Meeting Adjourned at 6:34 p.m.
